

GBC SureBind System One

Binding Machine

The GBC SureBind® System One produces impressive documents that convey quality and professionalism. The perfect system for low to moderate users who desire a secure binding system. With a standard 25mm binding strip, you can bind up to 250 sheets. The System One offers a distinctive, custom bound look and unmatched security. Get professional looking results with this all-in-one manual strip binding system.

Features & Benefits

1. Indicator Light

Flashes during binding process: goes out when binding is complete.

2. Pressure Bar

Firmly holds document for a tight, professional bind.

3. Punch and Bind Edge Guides

Enables perfect alignment of paper for easy, even punching and binding.

4. Punching Lever

Punches holes into the document and activates the binding process.

5. Full - Size Binding Surface

Maintains page position during binding.

6. Debris Tray

Easy disposal of paper chips and binding strip fragments.

Spine compatibility
